

## Stabilis MOTO 4T Synth 20W50

<b>Description</b>	<p>A new generation semi-synthetic engine oil for four-stroke motorcycles formulated with high-quality mineral and synthetic base oils combined with special developed balanced additives to achieve the following properties:</p> <ul style="list-style-type: none"> <li>- a high and stable viscosity index</li> <li>- optimal friction characteristics</li> <li>- a very strong protection against wear, corrosion and foaming</li> <li>- a very good detergency and dispersion</li> </ul>	
<b>Application</b>	<p>This oil is special developed for the lubrication of four-stroke motorcycles, so that sliding, sticking and/or rough changing of the clutch-plates no longer occurs. This oil is developed and tested in co-operation with the most important motorcycle producers and has its performance demonstrated in the field.</p>
