

Stabilis MOTO 4T Semi-Synth 15W50

Description	<p>A new generation semi-synthetic engine oil for four-stroke motorcycles formulated with high-quality mineral and synthetic base oils combined with special developed balanced additives to achieve the following properties:</p> <ul style="list-style-type: none">- a high and stable viscosity index- optimal friction characteristics- a very strong protection against wear, corrosion and foaming- a very good detergency and dispersion	
Application	<p>This oil is specially developed for the lubrication of four-stroke motorcycles, so that sliding, sticking and/or rough changing of the clutch-plates no longer occurs. This oil is developed and tested in co-operation with the most important motorcycle producers and has its performance demonstrated in the field.</p>
